

RAINOUT LINE

NEW PROGRAM NOTIFICATION SYSTEM

Starting June 1, 2022 NISRA transitioned to using Rainout Line as our only notification of program changes or cancellations. Make sure to register if you have not already so you don't miss any program cancellations or changes.

NISRA staff can update a status at any time, including the weekends and after hours. Once a status is changed, the information on the Rainout Line is automatically updated.

APP: You can download the Rainout Line app on your phone, allowing you to check the status at any time
