WINTER & SPRING

2027 PROGRAM GUIDE

REGISTRATION OPENS NOVEMBER 12 • NISRA.ORG

WELCOME

Northern Illinois Special Recreation Association (NISRA) is an extension of 13 park districts and municipal recreation departments, providing year-round community recreation for local children and adults with disabilities.

Our programs take place in our member district facilities, schools, along with other public and collaborative recreation sites throughout the area.

NISRA's activities are led by full-time staff with college degrees in Therapeutic Recreation or related fields in addition to trained part-time staff and volunteers.

For 50 years, our close staff-to-participant ratios have helped participants develop skills, grow in self-esteem, and have FUN!

Our Mission
Enriching the lives of people with disabilities through meaningful recreation experiences.

Our Vision
To be a community of limitation-free recreation.

Our Values
Fun | Professional | Compassionate
Trustworthy | Innovative

Brochure Available in Audio

We can create an audio version of the brochure for individuals with visual impairments. Please call the NISRA office to request the sections of the brochure that are most important to you.

Americans with Disabilities Act (ADA)

NISRA will comply with the ADA, which prohibits discrimination in the provision of services, programs or facilities to individuals with disabilities. NISRA works closely with its member park districts and recreation departments to provide information on program inclusion, facility accessibility and communication devices. NISRA will make reasonable accommodations in recreation programs to enable participation by an individual with a disability who meets essential eligibility requirements for that recreation program. If you have questions about NISRA or the ADA, or believe that you have been unfairly discriminated against by NISRA, please call Heidi Jenkins, Executive Director at (815) 459-0737.

NISRA Foundation

About

The NISRA Foundation was created in 1991 to preserve the future funding and quality of NISRA services. The Foundation raises money through fundraising events, grant solicitation, and donations in order to exclusively support NISRA programs and services. Since its inception, the Foundation has made annual grants to NISRA, cumulatively exceeding $3 million, for the following purposes:

- NISRA Summer Day Camp & recreation program scholarships
- Innovative programs & specialized equipment
- Special Olympics training & competition
- Wheelchair accessible buses

For every $1 given to the Foundation:

- 78 cents goes to support NISRA programs and services
- 19 cents goes to fundraising costs
- 3 cents goes to management and administrative expenses

The Foundation Board

The Foundation Board' s role is to identify potential sources of funding, engage and connect with the community, and assist with fundraising events, activities, and support.

Special Focus Karate - Beginner

The martial arts are a great way to develop social, physical and mental abilities. Consider the benefits of karate: strength, coordination, self-confidence and respect for oneself and others. Gain focus and control while learning self-defense in this structured and safe program.

Please wear comfortable clothing to move around in. Focus Martial Arts recommends the purchase of a karate uniform and fist guards for the full karate experience. You can purchase the uniform from Focus Martial Arts, and they also have various t-shirts available for sale. Focus Martial Arts does require the purchase of a uniform, should you/your participant want to belt test during the program. For any uniform questions, please contact Focus Martial Arts.

Suggested Ability Level: Highly structured class, participants must be independent and follow with guided instruction. This class is geared towards individuals with 1 year or less experience.

Horsemanship 101

Through groundwork-based sessions facilitated by a PATH Intl. Certified Instructor and supported by Main Stay's trained volunteers, participants will gain confidence, safety awareness, and a meaningful connection with our horses. This program does not include Adaptive/Therapeutic Riding. Participants must be able to independently follow directions for the duration of the class. Groups are kept small to ensure a supportive and engaging learning environment. Main Stay is a heated facility.

Sessions will include:

- Meet & Greet the Horse – How to safely walk up to a horse, put on a halter, and give them a good grooming
- Walk as a Team – Practice leading and building trust with your horse
- Speak "Horse" – Discover what your horse's ears, tail, and body are saying
- Bond from the Ground – Fun, non-riding activities to connect with your horse and with each other

Horsemanship 101 is designed for individuals who have not yet participated in Horsemanship with MainStay. If you have already completed 101, please see Horsemanship 102 to further your connection and understanding of horses.

Special Olympics Competition

Special Olympics provides quality training and competition, stresses athletic excellence, rewards determination, emphasizes health, and celebrates achievements.

We want athletes to do their best and at the same time, develop physical fitness, experience joy, develop skills, and friendships.

Sports are naturally competitive for athletes and parents. Your loved one may not understand competition and may struggle with rules and regulations of competition and the sport. If that is the case, Special Olympics may not be appropriate and there are other programs that may be more enjoyable and suitable.

Uniforms

Athletes will need to purchase their uniforms before the season starts and will be able to keep them when the season ends. NISRA will be working with a printing company to order uniforms that are necessary to participate in games. We will plan to have athletes keep the same jersey for each individual and team sport for 2–3 years.

For sports such as Tennis, Golf, and Bocce, there will be a new polo option for athletes to purchase or the option to wear what they already have. Once registered for a sport, you will receive an email from the Manager of Special Olympics informing you of the process to purchase a new jersey.

Contact

Please call the NISRA Office to speak with Taylor Gonio to assess which type of program would be the best match for the participant's interests and abilities. You can also contact Taylor at tgonio@nisra.org with questions.

Important Notes for Parents, Guardians, and Athletes

NISRA has a Code of Conduct for all Special Olympics programs to encourage athletes, coaches and parents/guardians to embrace the values of competition and sportsmanship. A copy of the form will be provided at the start of each sport season. By registering for any individual or team sport, you are agreeing to adhere to the Code of Conduct before participating. The athlete must attend & actively participate in 75% of all practices prior to the competition in order to be eligible to compete. Athletes who do not compete in the Special Olympics competition will not be allowed to compete at the state level.

Special Olympics Illinois (SOILL) Registration and Roster Management

Special Olympics Illinois has launched a new online platform—the Center of Excellence (COE)—to make athlete registration and roster management easier and more efficient.

NISRA will no longer be accepting paper or emailed copies of Athlete Registration Forms. All athlete registration and health history updates will now be completed online through the COE portal.

ALL Athletes MUST be registered in the COE portal and complete all checklist items by their sport season start date in order to be eligible. Visit portals.specialolympics.org to set up your account.

Failure of the athlete to have an accurate, fully completed Health History & Release and Athlete Acknowledgement Forms on file with SOILL prior to any relevant deadline will result in the athlete being denied participation in SOILL competitions, programs and events. The Health History & Release Form must be valid throughout the completion of the competition, program, or event.

Note: *Not providing all of the required information described above will result in a delay in processing paperwork and affect an athlete's eligibility for upcoming events.*

GOLD IN SIGHT FOR THE NISRA KNIGHTS!

If your team/athlete qualifies for the State Tournament, the Manager of Special Olympics will work with families to register for additional practices before the tournament. The fee covers the additional practices and state fee. Those staying overnight with NISRA at state will be charged for the cost of hotel, transportation, and staffing at a later date. A flyer will be sent out with additional information.

Rainout Line

Changes pertaining to practice and/or games will be listed on Rainout Line.

Registration Information

1. Registration is conducted on a first-come, first-serve basis. Residents of NISRA's member districts who register by the Resident Priority Registration date have priority over out-of-district "Non-Resident" participants.
2. Registration will not be permitted if there is a past due balance.
3. Programs must be paid for in full at time of registration.
4. If a program reaches maximum registration, a waiting list will be started. There is no fee charged when registering for a waitlisted program.
5. A program may be cancelled if enrollment is less than the determined minimum. Your account will be refunded, and a receipt will be emailed to the email address from your WebTrac account.
6. Registration is to be completed through WebTrac. Families receiving financial aid will receive details on how to register.
7. Instructors may not accept payment or register participants at programs. Registration and payment must be made through WebTrac or the NISRA office.
8. ePact documents are designed to provide all medical and personal information necessary for the instructor to provide a safe experience. Please complete this information thoroughly.

Detailed WebTrac and ePact instructions can be found at nisra.org under the "Register" tab from the main menu.

Annual Information Update

Once each year, all registrants are required to complete an update to their ePact information in order for NISRA to update its record. This process helps the staff provide the safest and best care possible. A reminder will be emailed.

Procedure for Seizure Information

If your participant experiences seizures, a completed Seizure Questionnaire (included in this brochure and on ePact), and/ or equivalent seizure plan is required for participation in NISRA programs. This document is kept on ePact and distributed to the leaders of the programs for which the participant is enrolled. Once a year, it is your responsibility to review and update your form through ePact. If you have any questions about this procedure, please contact the NISRA office.

Group Home Resident Fee Policy

Resident rate will be granted to participants residing in a group home/facility as long as the administrative office for the group home/facility is located within one of NISRA's 13 member districts.

Scholarships

Scholarships are available for weekly programs for those who qualify due to financial hardship situations. Call the office for more information.

Fitness Waiver for Fitness Programs

Due to the physical nature of NISRA's fitness programs, the circumstances at some facilities, and the exertion that participants may undertake, NISRA requires a fitness waiver prior to certain program participation. The form is included in this brochure and on ePact. The clearance to participate will be valid for 2 years from the date on which it was signed by the participant's medical practitioner. If the participant has medical treatment during the 2-year time frame of the Fitness Waiver, he/she needs to submit a new form to the doctor and NISRA. This signed form can be uploaded to ePact.

Credits & Refunds

Credits and refunds must be requested at least three business days prior to the start of the program. The cost of the program minus a $5.00 processing fee will be refunded (unless tickets have been purchased or supplies bought and there is no one on the waiting list to take the spot). Credits and refunds will not be issued after the second week of the program, except for medical or unavoidable circumstances only (ex., job transfer, moving, etc.). Proof of the reason may be required. A prorated credit or refund, minus the processing fee, will be issued. No cash refunds will be given, regardless of how the payment was made. NISRA uses discretion when deciding to cancel programs due to inclement weather conditions, watches, and warnings. Credits or refunds will not be given due to weather cancellations. A maximum of one session per program will be rescheduled if possible.

Township Information

We ask for your township on the Registration Form because area townships annually give grants to NISRA. Listing your township allows NISRA to provide the townships with participation statistics to support their giving. If you are unsure of your township:

- check your voter registration card
- check your property tax bill
- call the county office or township office closest to your home

Photos & Videos

NISRA occasionally takes photographs or video of participants for promoting/advertising our programs, services, events, activities, and facilities in our brochures, website, or agency social media, member district publications, and other promotional avenues. By registering for, participating in, or attending NISRA programs, events, or other activities, the participant (or parent/ guardian of a minor participant) irrevocably agrees to the use and distribution by NISRA, any of its members, contractual service providers, or cooperating entities where services or programs take place, of his or her image (or of his/her minor child/ward) in photographs, video recordings, and any other electronic reproductions of such programs, events, and activities for any purpose without inspection or approval and without compensation, rights to royalties, or any other consideration now and in the future. The participant's identity is kept anonymous unless permission is obtained by NISRA to identify the person.

Programs by Age & Ability Level

Most programs are offered according to age groups and a suggested ability level or disability classification. In many cases, programs are geared toward "All Abilities" and the staff will divide the participants into appropriate subgroups within the activities.

Inclusion Services

What about a general recreation program? We understand that not every person with a disability needs a NISRA program. NISRA provides assistance to our member park districts and recreation departments to include residents with disabilities in their programs. Types of support may include staff training, adapted equipment, sign language assistance, or a program aide. Register for your home district program and for more information, call Mia Ross at the NISRA office.

Mandated Reporters

Staff are mandated by the State of Illinois to report to the DCFS hotline if they observe a situation that provides reasonable cause to suspect child abuse or neglect. Workers in some professions including "recreational program" personnel have this legal mandate. Staff are trained on the procedure for making a report.

Handle with Care

NISRA staff are trained in the Handle with Care Behavior Management System. Handle with Care specializes in verbal de-escalation techniques, targeted to assist participants in crisis. Handle with Care training also teaches staff how to perform safe physical restraint techniques for participants who may become aggressive, assaultive, or cause harm to themselves or others. Please note that safe physical restraint is only used as an absolute last resort as a means for behavior management. NISRA will only use safe physical restraint if all other behavior management techniques have been exhausted or participants are in imminent danger. If Handle with Care techniques are used with your participant, you will always be notified by a NISRA staff.

NISRA's Values

We strongly believe that 5 core values define what NISRA is and what you can expect from us: Fun, Professional, Compassionate, Trustworthy, and Innovative. If at any time you feel that NISRA programs or its staff have not lived up to these values, please call Heidi Jenkins, Executive Director at (815) 459-0737.

Brochures

We strive to ensure all information in this brochure is accurate and up-to-date at the time of printing. However, human errors can occur. For the most current program details and any updates, please refer to WebTrac. We appreciate your understanding.

Program Policies

1. Participants must be picked up at the designated end of the program, see Late Pick Up Policy. Late pick-up creates additional costs and potential delays getting to another program. NISRA staff will notify the office of continual late pick-ups and a fine will be assessed.
2. Programs may be cancelled due to inclement weather. When a program is cancelled, one re-scheduled date will be arranged if possible. No credit or refund will be issued.
3. When participants of varying ages and ability levels are in the same program, NISRA will group them appropriately.
4. NISRA provides an approximate 1:4 staff-to-participant ratio. If you are requesting a different ratio, please indicate the reason in ePact.
5. If a participant will be absent, please notify the NISRA office.
6. If the participant is able to walk or ride a bike home, the parent/guardian must submit through ePact, in writing, to the NISRA office prior to the start of the program.
7. If someone other than the participant's parent/guardian will be picking him/her up after a program, a note must be sent for the staff. Staff will not allow a participant to leave with another person without written notice through ePact.
8. When arriving to, or departing from a program, please check-in with the staff before you leave or take the participant.
9. If staff observe that it appears unsafe to release a participant to the person picking him/her up after a program, the staff will call a supervisor to determine what other transportation alternatives may be possible.
10. While NISRA staff will assist participants with their belongings at programs, NISRA cannot be responsible for lost or stolen property. Participants should not bring valuables to programs.
11. Consumption of alcohol is not permitted at most NISRA programs (this includes adults ages 21 and older).
12. Behavior Expectations: Although NISRA recognizes that many participants have special behavioral challenges, guidelines have been established to ensure safety and enjoyment of all participants.

Behavior Expectations

Behavior Expectations

All NISRA participants and their guests are expected to follow the Behavior Code of Conduct at all times. This code has been established to ensure that NISRA programs remain safe, enjoyable, and successful for everyone involved. Appropriate behavior is required from all participants and their guests while participating in, spectating, or attending any NISRA-sponsored program or activity.

The Behavior Code of Conduct expects participants to:

1. Show respect to all: participants, staff, the public, equipment, supplies, and facilities.
2. Listen to and comply with staff direction and program rules.
3. Allow others in the program and those at public facilities to enjoy the activity without disruption (within reason).
4. Refrain from using foul language, bullying, or other offensive behavior such as offensive gestures, sexually explicit language, or inappropriate touching.
5. Refrain from causing bodily harm or aggressive physical contact.
6. Not be under the influence of alcohol or drugs which would impair the ability to safely participate in the program.
7. Not possess any weapons or illegal substances.
8. Participants are expected to practice self-cleanliness throughout their time at programs. This includes washing hands as needed, and taking care of personal hygiene. Staff will provide assistance, reminders, and follow up as needed to support this expectation.

A positive approach will be used regarding behavior management. NISRA will work closely with parents/guardians to develop behavior management plans. If inappropriate, disruptive, or destructive behavior occurs, a prompt resolution will be sought. NISRA reserves the right to suspend or dismiss any participant whose behavior endangers the safety of themself or others.

Late Pick Up Policy

Participants must be picked up at the designated end of the program. Late pick up creates additional costs and potential delays of staff getting to another program. If a participant has not been picked up at the scheduled program end time, the parent/guardian/group home staff will be contacted. After the five-minute wait period, if the participant has not been picked up, emergency contacts will be called. If NISRA has no contact from a parent/guardian/group home or a responsible party from the emergency contacts, then police will be called and the participant will be taken into protective custody until a parent or guardian can be located. If an unexpected emergency arises that will delay the pick-up of a participant, please call the NISRA office and leave a detailed message in the emergency mailbox.

When A Late Pick Up Occurs

- Five (5) minutes of time will be allotted as a "grace period" following the advertised programs times.
- One (1) no-fee written reminder, per season, will be given. Reminders will be documented through an email from WebTrac.
- After one (1) no-fee written or documented late pick up form reminder, a $5.00 fee will be charged for every cumulated (5) minutes until participant is picked up. This bill must be paid in full prior to future registrations and will be billed through WebTrac.

Severe Weather Guidelines

The guidelines below are used by NISRA Staff to determine whether to delay or cancel programs. **Program updates and cancellations will be on Rainout Line on nisra.org.**

Cold Weather Guidelines

Outdoor programs may be cancelled if any of the following conditions exist:
Temperature is below 10 degrees
Wind chill is below 0 (regardless of temperature)
Indoor programs will be cancelled based upon the facility's decision and/or whether authorities have issued driving advisories or Winter Storm/Blizzard warnings.

Illness Guidelines

In order to prevent the spread of illness, participants are not allowed to attend NISRA programs when any of the following conditions exist:

- Fever over 100 degrees within the last 24 hours
- Vomiting within the last 24 hours
- Persistent diarrhea
- Persistent cough and/or cold symptoms
- "Pink Eye" (conjunctivitis)
- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, or Hand, Foot & Mouth Disease
- Runny nose with yellow or green discharge (indicates infections)
- Lice or mites present
- Contagious rash or rash of unknown origin
- COVID-19 symptoms

**You will be contacted immediately to make arrangements for the participant to go home if any of these symptoms are present.*

NISRA Transportation

For programs with transportation, the pick-up and drop-off locations are listed in each program's description. Please choose your preferred location when you are registering.

Program transportation times will be on Rainout Line, in WebTrac or at NISRA.org.

Please check in with staff and make sure the participant gets on the correct vehicle in the parking lot. Many times there are multiple NISRA programs using the same transportation location.

Pick-Up & Drop-Off Locations

Generally, buses will try to be in front of the building:
Barrington Park District Langendorf Park
Cary Park District Community Center
The Centre, Elgin
Hampshire Township Park District
Harvard City Hall parking lot
Huntley Park District R.E.C. Center
Lake in the Hills Village Hall
Marengo Park District parking lot
McHenry Recreation Center
NISRA Office
Rakow Center - Dundee Township Park District
Wauconda Park District Community Center
Woodstock Recreation Center

For programs offered to participants with physical limitations, door-to-door transportation is available for residents living within NISRA's 13 member districts. An additional fee is required for this service. If you require door-to-door transportation, select that option when registering.

Food & Beverages in NISRA Programs

Foods and beverages served at NISRA programs and events must be "store bought" and presented in original sealed packages unless provided by a licensed restaurant or store.

Arriving at Programs

Check in with staff when you arrive at the program or the bus to confirm that you're on the list and we have your emergency contact information. This is for your safety!

Can't Make It to the Program?

Please call NISRA at (815) 459-0737 and dial 1 for the Emergency Mailbox, to have your message relayed to the driver. Drivers can wait a maximum of 5 minutes before they must leave for the other pick-up points and/or the program.

Reaching NISRA After Hours

In response to requests to reach us with an emergency message after business hours or on the weekend, NISRA has an Emergency Mailbox on our phone system. In an emergency, call the NISRA Office, (815) 459-0737. Listen for the prompt to leave a message in the Emergency Mailbox (ext. 1). Your message will be forwarded to the staff member on-call who will respond as needed.

WAIVER RELEASE OF ALL CLAIMS AND HOLD HARMLESS AGREEMENT FOR NORTHERN ILLINOIS SPECIAL RECREATION ASSOCIATION. ***READ CAREFULLY.***

Please read this form carefully and be aware that in signing up and participating in NISRA programs, you will be waiving and releasing all claims for injuries arising out of these programs that you or the other named participant might sustain. The terms "I", "me", and "my" also refer to parents or guardians as well as participants in the programs. In registering for these programs, you are agreeing as follows:

As a participant in these programs, I recognize and acknowledge that there are certain risks of physical injury, and I agree to assume the full risk of any injuries, damages, or loss which I may sustain as a result of participation in any manner, in any and all activities connected with or associated with such activities and involve substantial risks of injury.

I agree to waive and relinquish any and all claims I may have as a result of participating in these programs against NISRA, any and all other participating or cooperating governmental units, any and all independent contractors, officers, agents, servants, and employees of the governmental bodies and independent contractors, and any and all other persons and entities of whatever nature that might be directly or indirectly liable for any injuries that I might sustain while participating in these programs.

I do hereby fully release and discharge NISRA and the other released parties from any and all claims for injuries, damages, or loss which I may have or which may accrue to me on account of my participation in these programs.

I further agree to indemnify, hold harmless and defend NISRA and any and all other parties, from any and all claims resulting from injuries, damages and losses sustained by anyone, and arising out of, connected with, or in any way associated with my conduct and the activities of these programs.

I further understand and agree that the terms such as "participation", and "activities", referred to in this Agreement, include all exercises and physical movements of any nature while I am participating in these programs and further include the provision of or failure to provide proper instructions or supervision, the use and adjustment of any and all machinery, equipment, and apparatus, and anything related to my use of the services, facilities, or premises involved in these programs, and transportation to and from any events.

I understand the nature of these programs for which I am registering and have read and fully understand this Waiver Release and Hold Harmless Agreement. I further understand that any advisements or warnings of the particular risks of these programs that I subsequently receive will be incorporated by reference into and become a part of the Agreement.

Photo release: NISRA takes photos and video of participants in programs. By signing the waiver, you are giving permission to NISRA to use these photos and videos in our publications, on our website and social media outlets without further permission and without any compensation to you. All photos & video are the property of NISRA.

In case of emergency, I give my permission for the participant to receive any first aid, transportation or medical attention that may be required.
