

## Transportation General Information

### Pick-up/Drop-off Transportation for Full Day Camps:

NISRA offers pick-up and drop-off transportation for Full Day camps (excluding Kaleidoscope and Rock).

Parents/guardians should choose their preferred pick-up/drop-off location from the route listed under their child's camp (see page 9) and write it on the Registration Form.

**NISRA will not be mailing bus route confirmation letters.**

### Pick-up/Drop-off Transportation for Camps with Summer School:

**The transportation fee is for only drop off at the end of the camp day to one of the bus route locations** listed under the camp (page 9). Choose your route and write it on the Registration Form. **NISRA will not be mailing bus route confirmation letters.**

For those campers attending summer school, **parents/guardians need to contact their child's summer school transportation department to make arrangements for transportation from summer school to Half Day camp.** The NISRA camp transportation fee does not cover the fees that the school bus company may charge if they must drive to a camp that is outside of the school district boundaries.

## Bus Aides

NISRA will be assigning a bus aide for each of the buses used for summer day camp transportation. However, there may be days when an aide is unavailable and NISRA will not have adequate notice to assign a substitute aide or advise parents/guardians that an aide will not be on the bus that day. It is the parent/guardian's responsibility to confirm at the pick-up point each day that a bus aide is available, and if not, to choose whether to have their child ride the bus. If a parent/guardian believes that his/her child needs a 1:1 bus aide, please indicate the need on the camp registration form and briefly explain the reason for the request.

## Behavior Expectations for Transportation

Please read & review these bus rules with your child. They have been established to ensure your child's safety while riding the bus.

1. Show respect to all campers, counselors, staff & drivers.
2. Refrain from using abusive or obscene language.
3. Refrain from causing bodily harm to self, other campers & staff.
4. Show respect for equipment, supplies and the bus.
5. Take your seat promptly
6. Seatbelts are required for everyone riding the bus.
7. Keep your feet under the seat in front of you.
8. Keep body and belongings to yourself inside the bus.
9. Talk at a conversational level.
10. Finish food & drinks prior to getting on the bus.
11. Electronic toys & headphones are allowed to assist with behavior management. Campers are responsible for their belongings.

**The driver is allowed to assign seats if necessary. Once a camper boards the bus, parents should not get on the bus, so that staff can assist the camper and stay on schedule.** The driver or bus aide will complete a Bus Conduct Form for those not meeting the behavior expectations. Parents will be contacted to discuss the incident. The camper may be suspended or lose the transportation option.

## Bus Transfers

Some bus routes will require campers to transfer from one bus to another. The driver and bus aides will ensure the safety and smooth transitions of all campers. Transfers may occur at the NISRA Office and Woodstock Recreation Center.

## Harnesses

If a harness or vest is needed, we ask that parents provide the vest. NISRA has a limited number of harness hook-ups & vests.

# CAMP TRANSPORTATION

To simplify NISRA's camp transportation and provide families with bus route information at registration time, bus routes are pre-determined. **If no one registers for a location on the route, pick-up & drop-off times for the other locations on the route may change.** Transportation fees for Residents and Non-residents are the same, and the transportation fee is in addition to the camp fee listed with each camp on pages 4-7.

**Please choose your route based on the camp your child will attend, then write it on your Registration Form.**
