

## Transportation General Information

### Pick-up/Drop-off Transportation for Camps:

NISRA offers pick-up and drop-off transportation for camps (excluding Elgin camps). Transportation for Huntley 3-6 Half Day camp will be in the morning only.

**COVID-19 requirements:** In addition to the behavior expectations listed below, campers taking transportation will need to wear a cloth face covering (not Gator-type) while on the bus and remain in his/her assigned seat.

Parents/guardians should choose their preferred pick-up/drop-off location from the route listed under their child's camp (see page 9) and write it on the Registration Form.

**NISRA will not be mailing bus route confirmation letters.**

### Staffing the buses

Each bus will have a staff driver and may or may not have additional staff. Campers must be able to board the bus independently, secure themselves in a seat assigned by the driver, and remain there for the duration of the ride. Campers will also be required to wear a cloth face covering (not Gator-type) for the duration of the ride.

**Due to COVID-19 precautions, the driver will assign seats. Once a camper boards the bus, parents should not get on the bus, so that proper distancing is maintained and the route can stay on schedule.**

### Behavior Expectations for Transportation

Please read & review these bus rules with your child. They have been established to ensure your child's safety while riding the bus.

1. Show respect to all campers, counselors, staff & drivers.
2. Refrain from using abusive or obscene language.
3. Refrain from causing bodily harm to self, other campers & staff.
4. Show respect for equipment, supplies and the bus.
5. Take your seat promptly
6. Seatbelts are required for everyone riding the bus.
7. Keep your feet under the seat in front of you.
8. Keep body and belongings to yourself inside the bus.
9. Talk at a conversational level.
10. Finish food & drinks prior to getting on the bus.
11. Electronic toys & headphones are allowed to assist with behavior management. Campers are responsible for their belongings.

The driver will complete a Bus Conduct Form for those not meeting the behavior expectations. Parents will be contacted to discuss the incident. The camper may be suspended or lose the transportation option.

### Bus Transfers

Some bus routes may require campers to transfer from one bus to another. The driver will ensure the safety and smooth transitions of all campers. Transfers may occur at the NISRA Office and Woodstock Recreation Center.

# CAMP TRANSPORTATION

To simplify NISRA's camp transportation and provide families with bus route information at registration time, bus routes are pre-determined. **If no one registers for a location on the route, pick-up & drop-off times for the other locations on the route may change.** Transportation fees for Residents and Non-residents are the same, and the transportation fee is in addition to the camp fee listed with each camp on pages 5-7.

**Please choose your route based on the camp your child will attend, then write it on your Registration Form.**

# COVID-19 SAFETY MEASURES

In addition to implementing the requirements for social distancing, wearing the proper face covering and practicing independent hygiene, NISRA's programs and camps operate with safety standards performed by staff.

## Activity supplies

Each camper will receive his/her own separate supplies for crafts and other activities using supplies. Games, sports and activities will be planned to minimize the sharing of equipment. Camps will have multiple pieces of equipment and items will be properly disinfected between use.

## Facility cleaning

Following each camp day, staff will disinfect high touch areas, equipment and supplies.
