

NISRA Summer Programs Update

NOTE: These programs were advertised in the printed 56-page summer brochure. Most are being canceled due to the presence of the coronavirus. A new series of programs is being developed for a session that will begin July 20. Watch your email, NISRA's website, and social media for the online brochure, which will be available the last week in June.

Those who registered and paid for these programs will receive credits, or refunds if requested.
